Bin trailer for 2 empty bins	8310079.00189	310 x 150 x 70
Self propelled counter canvas wagon	3110000.00100	630 x 215 x 260

### There are 2 types of tree shakers available

- The semi automatic: the canvas is rolled out and pulled around the tree by 2 workers
- The full automatic: the canvas is moved to the tree automatically by means of a scissor system and on the other side of the tree, is the counter canvas wagon.

On both tree shakers, the bin trailer with turntable takes care of a quick change of full and empty bins.

Combination fully automatic and counter canvas wagon
